Beginning, Intermediate and Advanced Conversation Classes are for adults who want to improve their ability to speak and understand American English. Practice conversation skills and pronunciation while learning about holidays, food, travels, family, life skills, current events, American history, common idioms, and more.

Writing 1: This class will review sentence building and vocabulary, and students will work on a paragraph.

Writing 2: This class will focus on writing different kinds of paragraphs such as opinion and descriptive paragraphs.

Student-Led Conversation: This is for intermediate to advanced students. Students give presentations and mini presentations about their country of origin, first year in the United States, or anything else of interest to them. Idioms are discussed. Pronunciation will also be practiced, and we will break down into smaller groups to have discussions.

Writing Workshop: This is a High Intermediate to Advanced course for students who want to improve their writing. It will be loosely structured like a writing group or book club. Students will be invited to bring in their work weekly for critiques. Students will review the narrative structure and focus of nonfiction creative writing, but any work that the students wish to pursue will be encouraged.
